

Request for Qualifications

The Airport Authority of Airport District No. One, Calcasieu Parish requests proposals from qualified, interested firms to provide professional Architectural and Engineering Services. The project will consist of furnishing all services required to supplement the Authority in the provision of design, bidding, and construction administration services related to its Airport Traffic Control Tower redevelopment program at the Lake Charles Regional Airport. For a copy of the Request for Statements of Qualifications, interested firms should send a request to rfp@flylch.com reference RFQ ENG-2026.

Proposals will be accepted until 3:00 p.m., CST on September 30, 2026, addressed to:
